

A photograph of a person's left hand and forearm. A vertical surgical incision on the forearm is closed with black sutures and covered by a rectangular, translucent adhesive dressing. The hand is open, showing the palm side. The background is a light green surface.

A cartoon illustration of a person with dark hair sitting in a white bathtub. Steam is rising from the water. To the left of the tub is a white shower head on a hose and two bottles of shampoo. In front of the tub is a yellow bucket. The background is a solid light blue color.

A cartoon illustration of a young girl with brown hair in a ponytail, wearing a yellow t-shirt and pink shorts, running towards the left. She has a surprised or determined expression with wide eyes and a small open mouth. There are blue motion lines behind her legs to indicate speed.

Two rolls of 3M Micropore tape are shown. The left roll is labeled '2.5cm' and the right roll is labeled '1.25cm'. Both rolls have a blue inner core with the 3M logo and the text 'Micropore' and 'マイクポア' visible.
